

Volt Lift

Foldable Light-Duty Stacker

Features

Powerful Lifting

- 200 kg high load capacity
- Built with a robust steel frame and powerful hydraulic system

Portable & Agile

- Only 48 kg – compact, lightweight design
- Easy transportation, handling, and deployment on site

Effortless Installation

- Smooth lifting specifically designed for wall-mounted battery installation
- Reduces manual handling effort and significantly improves installation efficiency

User-Friendly Design

- Simple assembly process for immediate operation
- Smart, compact engineering ensures safe lifting and precise positioning

Volt Lift Specs

General Parameters

Rated Load	200 kg
Max. Lifting Height	900 mm (0.9 m)
Overload limit	Lift Height > 300 mm Load ≤ 140 kg

Dimension and Weight

Min. fork height	65 mm
Fork length	260 mm
Overall fork width (outside)	520 mm
Single fork width	70 mm
Overall width	710 mm
Overall height	1210 mm
Overall length	570 mm
Net weight	48 kg
Packing dimensions (crate)	1290 × 600 × 260 mm
Wheel type	Rubber (straight wheels)
Platform surface	Steel + PU leather anti-slip
